

**CHESP Examination revised!!!!**

As the industry and job responsibilities evolve, test questions need to be revised to keep the exam current and relevant. These revisions are based on a job analysis survey completed by a large number of AHE members.

**Administration of the new edition of the CHESP Examination is effective starting today, February 1, 2011.**

**NOTE: Please be advised that candidates taking the Examination February 1, 2011 and later will not receive their score immediately. Score reports will be issued approximately 6 to 8 weeks later due to a requisite analysis of the new Exam.**
