### Join Us for an AHA Teleconference for Small or Rural Hospitals: IRS Form 990 and Schedule H

**Teleconference Date: September 25, 2008**  
**2:00pm Eastern (1pm CT, 12pm MT, 11am PT)**  
**Expected Call Duration: 90 minutes**

You should have received notice of a call on IRS Form 990 and Schedule H specifically designed for small or rural hospitals. To review, the Internal Revenue Service (IRS) released final instructions for the redesigned Form 990 and 16 related schedules, including Schedule H – Hospitals, designated solely for tax-exempt hospitals. Except for the required reporting of “facility” information, Schedule H is optional for tax year 2008. However, the entire schedule is required for 2009.

I want to encourage your participation so that you are prepared to meet the IRS requirements and that you have an opportunity to review the final instructions on Schedule H, discuss its implementation, and answer questions in preparation for gathering and reporting data.

Copies of the final forms, instructions and worksheets for Schedule H can be found at <http://www.aha.org/irs-forms>. Visit <http://www.aha.org/08aug-legaladvisory> for AHA's legal advisory on the IRS final instructions to Form 990, including Schedule H.

To register go to <http://www.aha.org/08septcallregistration>. If you have any questions, please call AHA Member Relations at (800) 424-4301.
