

## AHA Trustee Leadership Network

### OVERVIEW

The AHA Trustee Leadership Network is a forum for trustees who want to actively participate in the advocacy initiatives of the American Hospital Association (AHA).

The AHA Trustee Leadership Network provides the information resources and activities for trustees who are committed to advancing the health of individuals and communities, and supporting their local hospital's work, through advocacy activities.

All current or former hospital/health system trustees are invited to be part of the AHA Trustee Leadership Network.

As part of this community, members of the AHA Trustee Leadership Network receive the following benefits:

- ➔ Electronic subscription to *AHA News Now*
- ➔ Regular conference call briefings focusing on crucial health care issues before Congress and regulatory bodies
- ➔ Action alerts and advisories on breaking news and hot issues
- ➔ Ongoing trustee communications via a dedicated web site and listserv
- ➔ Membership in the AHA Partnership for Action
- ➔ Special networking reception at the AHA Annual Meeting
