The Hearst Foundations are national philanthropic resources for organizations and institutions working in the fields of Education, Health, Culture and Social Service. Their goal is to ensure that people of all backgrounds have the opportunity to build healthy, productive and inspiring lives. Grants are awarded primarily to leading regional hospitals, medical centers and specialized medical institutions, such as children's and women's hospitals. The Foundations support direct medical services that promote wellness, prevention and rehabilitation.

**DEADLINE: Proposals are on-going and accepted throughout the year.**
