The purpose of the Rural Health Workforce Development Program is to support the development of rural health networks that focus on activities relating to the recruitment and retention of primary and allied health care providers in rural communities. This Program will provide support to established and sustainable rural health networks that can develop innovative community-based educational and clinical health training programs to encourage the recruitment and retention of emerging health professionals (students and residents) in rural communities to train and eventually practice.

DEADLINE: *The application due date is April 30, 2010.*

Eligibility	Funding	Requirements	Additional Information
<ul style="list-style-type: none"> • The applicant organization must be a public or private non-profit entity located in a rural area. • The network is composed of at least three separate, existing organizations.
