

Chair

Robin Henderson, Psy.D.

*Director, Behavioral Health Services
and Interim Director of Health Integration
St Charles Health System
Bend, Oregon*

Dr. Henderson is the Director of Behavioral Health Services and Interim Director of Health Integration at St Charles Health System in Bend, Oregon since 2001. She manages two psychiatric facilities, an outpatient clinic with services in 13 locations, acute social work services across two hospitals, the hospital's Employee Assistance Program, a psychiatric consult/liaison service with five psychiatrists, and Spiritual Care Services across two hospitals. Dr. Henderson designed, fundraised and built both psychiatric units--the first units east of the Cascade Mountains in Oregon. Her most recent endeavor has been overseeing the *Health Integration Projects*, a community-based regional effort to bring *Triple Aim goals* of improving quality of care and the patient experience, reducing overall healthcare costs and improving the health of the region's population. Over the last 18 months, these projects have targeted high frequency utilizers of regional emergency room services, increasing participation in patient centered health homes, improving medical care for those with severe and persistent mentally ill, conducting a multi-dimensional assessment of regional children's services, focusing on high needs children with special healthcare needs.

Dr. Henderson serves on the American Hospital Association's Governing Council for Psychiatry and Substance Abuse, and is currently Chair-elect of the Council. She has also served as the AHA representative to the Joint Commission Behavioral Health Technical Advisory Group. Dr. Henderson is a member of the Oregon State Hospital Advisory Board. She is co-chair of the Community Mental Health Coalition of Oregon, comprised of mental health consumer and family groups, advocacy organizations, providers and payers for these services. She also serves as Chair of the Oregon Psychiatric Inpatient Committee, which is affiliated with the Oregon Association of Hospitals and Health Systems and has served on several interim Legislative Committees, most recently developing a consensus process for post-doctoral trained psychologists to prescribe psychotropic medication. She also has worked with committees looking at Oregon's mental health system of care in relationship to the redesign of the Oregon State Hospital, and others targeted at the system of care needs in Central and Eastern Oregon. She is a board member of the Cascades East Area Health Education Council and is a member of the steering committee for the state's Behavioral Health Information Project, part of the redesign of the state hospital system in Oregon. She is a past president of the Oregon Psychological Association, and is an active member of the American Psychological Association.

Prior to St.Charles, Dr. Robin Henderson was the Director, Behavioral Health Services at Eastmoreland & Woodland Park hospitals, and practiced as a psychologist, working primarily with Native American children and families. In addition to this, she managed four psychiatric units across two hospitals including an adolescent unit and two geriatric units, and two-day treatment programs. She has also worked in multiple dual-diagnosis settings with a variety of populations.

Dr. Robin Henderson earned her Masters and Doctoral degrees in Clinical Psychology at George Fox University, Newberg, Oregon. She is also a licensed Clinical Psychologist in the State of Oregon.

Past-Chair

Todd Krass

*Chief Executive Officer
Research Belton Hospital
Belton, Missouri*

Todd Krass has served as CEO of Research Belton Hospital, a 71 bed community hospital located in the Kansas City Metropolitan area, for the past 6 years. Prior to that, he served as CEO for Research Psychiatric Center, a 100-bed freestanding psychiatric hospital located in Kansas City, MO, for 11 years. During his tenure as CEO of Research Psychiatric Center he was also been responsible for the administration of behavioral health services across the 11-facility HCA Midwest Division.

Mr. Krass implemented standardized assessment and documentation tools across the system, developed a regional behavioral health access call center, assisted in the development of psychiatric consult-liaison services in medical settings, and expanded services by operating two additional community based outpatient offices. Previously, he served as the Research Psychiatric Center's director of patient care services. In all, Mr. Krass has 25+ years of clinical, managerial, and administrative experience in psychiatric treatment settings.

His involvement in the Missouri Hospital Association Psychiatric Units and Hospitals Constituency Group, the Kansas City Metropolitan Hospital Council, and the Kansas City Area Psychiatric Taskforce has allowed him to help these groups collaborate to the benefit of all psychiatric hospitals in the area. In addition, Mr. Krass has been active in creating collaborative relationships between public and private behavioral health providers in the Kansas City area. All of these relationships have made him instrumental in efforts to: create a successful mechanism that utilizes public funds to purchase private inpatient behavioral health beds to address the regional shortage of public beds; promote dialogue between the states of Missouri and Kansas to address the shortage of these beds in the Kansas City area; and develop the EMSystem Psychiatric Screen for the region that tracks psychiatric bed availability.

Mr. Krass received his bachelor's degree in nursing from Washburn University in Topeka, Kansas, and his master's degree in nursing from Corpus Christi State University in Texas.

Chair-Elect

Bruce Schwartz, M.D.

*Deputy Chairman & Clinical Director
Department of Psychiatry and Behavioral Sciences
Montefiore Medical Center
Bronx, New York*

Bruce Schwartz, M.D., has been clinical director of psychiatry for Montefiore Medical Center since 1985 and deputy chairman of the Department of Psychiatry and Behavioral Sciences at the Albert Einstein College of Medicine since 2010. He also helped create a behavioral management services organization, University Behavioral Associates in 1995, for which he serves as president, CEO, and medical director, and he has been president of the Montefiore Behavioral Care IPA, Inc. since 1997.

Dr. Schwartz is committed to the AHA's vision of integrated delivery systems demonstrated through service on committees for many organizations, including the Greater New York Hospital Association's PPS Psychiatry Advisory Workgroup and Mental Health/Substance Abuse Services Committee, the New York City Department of Health and Mental Hygiene's NYPD - Emergency Departments Task Force, The New York Academy of Medicine's Committee on Admission, and

the Mental Health Association of New York City's Professional Advisory Board (Chairman), Strategic Planning Committee, and Board of Directors. Dr. Schwartz is also a consultant and the past chairman of the American Psychiatric Association's Council of Healthcare Systems and Financing.

Dr. Schwartz is a Professor of Clinical Psychiatry at the Albert Einstein College of Medicine and has published and presented on psychiatric issues in numerous venues and publications, and he has won several awards and been honored as a fellow of the New York Academy of Medicine and a distinguished fellow of the American Psychiatric Association. A graduate of the City University of New York, Queens College, Dr. Schwartz earned his medical degree from SUNY Downstate Medical College in Brooklyn.

Board Liaison

Chandler Ralph

President and CEO

Adirondack Medical Center

Saranac Lake, New York

Chandler Ralph has served as president and CEO of Adirondack Medical Center (AMC) since March 1995. She has more than 25 years of health care experience, initially serving as vice president for operations at Columbia Memorial Hospital, Hudson, NY, and then in progressively responsible administrative positions with hospitals in upper New York state including three years with Ernst and Young in New York City. Prior to joining AMC, Ms. Ralph was affiliated with Mercy Center for Health Services/Mercy Hospital in Watertown, NY, where she served as president and chief executive officer.

Ms. Ralph is a Fellow of the American College of Health Care Executives and recipient of the 2006 Regent's Award. She is a past delegate of AHA Regional Policy Board 2 and recipient of the AHA's 2006 Grassroots Champion Award for New York.

Ms. Ralph is a member of the Board of Trustees for the Healthcare Association of New York State, a past board member and chair for the St. Joseph's Rehabilitation Center in Saranac Lake, member and past president of the Saranac Lake Rotary, and board member and chair of the Adirondack Economic Development Corporation. She is Founding Chair of the Helena Ptochia Foundation whose mission is to raise funds to build and operate a hospital in Ghana, West Africa for women injured in childbirth.

AMC includes two hospital sites, two nursing homes, and four primary health clinics, and is a sole community hospital and rural referral center. It is a \$90 million operation with 97 hospital beds, 216 nursing home beds and a broad range of medical and surgical services. The medical staff includes 50 doctors, 94 percent of whom are board-certified. AMC was a finalist for the 2007 NOVA Award bestowed by AHA to honor effective, collaborative programs focused on improving community health status. AMC was honored for its ongoing effort of the Tri-Lakes Uninsured Task Force.

Ms. Ralph is a graduate of Rensselaer Polytechnic Institute, Troy, New York with a Bachelor of Science degree in biomedical engineering, and Master degrees in business administration and industrial engineering.

Terms Expire 2011

Craig Juengling

Trustee

Lakeview Regional Medical Center

& Juengling & Associates, LLC, Organizational &

Leadership Development, Certified

Professionals & Executive Coach

Covington, Louisiana

Mr. Juengling most recently served as Corporate Director of Inpatient Services for a privately held Louisiana based company; in this capacity he oversaw two hospitals and two residential treatment centers. Prior to this position, he was CEO of Acadia Vermilion Hospital and President of Potomac Ridge Behavioral Health System (Adventist HealthCare, Inc.) in Maryland for more than 10 years. Mr. Juengling was chief operating officer for American Psych Systems, Inc., and spent three years in hospital leadership positions with Community Psychiatric Centers (CPC) facilities and another three years working for CPC itself, ultimately as its senior vice president and COO.

Mr. Juengling recently chaired the behavioral health constituency of the Louisiana Hospital Association. He served on the Maryland Hospital Association's statewide Task Force on Emergency Department Overcrowding and chaired the Montgomery County Acute Psychiatric Providers Coalition. Mr. Juengling has testified before numerous Maryland finance and health care Senate and House committees. He is a past chair of the National Children's Center, Inc.

Mr. Juengling received both his bachelor's degree and his MBA from Louisiana State University.

Mary Pawlikowski

Vice President and Chief Operating Officer

Carrier Clinic

Belle Mead, New Jersey

Mary Pawlikowski has been vice president and COO of Carrier Clinic since 2001. Previously, she was director of outpatient services at Carrier for five years, and executive director of HealthSouth Community Rehabilitation Services of New Jersey in North Brunswick for five years before that. Ms. Pawlikowski's background is in school, forensic, and community psychology. In her current position, she has been developing partnership programs with New Jersey's Division of Mental Health, and – as part of Carrier's vision of integrated delivery systems – she managed the county's psychiatric screening center and the community mental health center.

Ms. Pawlikowski currently serves as board chairman for East Mountain Hospital. She recently served a term on the policy committee of the Governor's Acute Care Task Force and on the youth services committee of the National Association of Psychiatric Health systems. She is an active member of the New Jersey Hospital Association and the New Jersey Association of Mental Health Agencies, and serves on committees for both organizations.

A graduate of Fordham University, Ms. Pawlikowski holds a master's degree in forensic psychology from John Jay College of Criminal Justice and another master's degree in education from Pace University.

Wayne Young, LPC
Behavioral Health Service Line Administrator
JPS Health Network
Fort Worth, Texas

Wayne Young has been administrator of JPS Health Network's behavioral health service line since January 2008. Previously, he was regional executive director of MHN Net Behavioral Healthcare, a managed behavioral health care organization in Addison, Texas; director of operations for Review Med, L.P., in Dallas; and business manager for Grapevine (TX) Valley Hope, a 68-bed chemical dependency treatment facility. Mr. Young has worked in the field of behavioral health since 1992, initially as a chemical dependency counselor. He is also an adjunct instructor in behavioral health at the University of North Texas Health Sciences Center.

Mr. Young is actively involved in several professional and community organizations. He participated on Tarrant County Commission Roy Brooks' Blue Ribbon Panel on Healthcare for the Homeless, he is an active leader in the Tarrant County Jail Diversion Coalition, and he serves on the Membership Committee of the American College of Mental Health Administration. Mr. Young is also an active member of the American College of Healthcare Executives. He is a board member for Mental Health Connection of Tarrant County, which is a collaboration of public and private agencies who work to improve the county's mental health service delivery system. Additionally, he is currently the business chairperson for Tarrant County NAMI chapter's NAMI Walks. Recently, Mr. Young became co-chairperson of the Tarrant County Suicide Prevention Coalition.

A licensed professional counselor and a certified rehabilitation counselor, Mr. Young received both his bachelor's degree in human development and family studies and his master's degree in community counseling from Texas Tech University in Lubbock. His second master's degree, an MBA in health care administration, came from the University of Dallas.

Michael A. Ziemann, FACHE
Division Manager/Director, Behavioral Health Services
Memorial Hospital
Administrator
Memorial Behavioral Health
Gulfport, Mississippi

Michael Ziemann has been division manager and director of behavioral health services for Memorial Hospital, and administrator of Memorial Behavioral Health, since 1999. His 30 years of hospital experience includes serving as CEO of BHC Sand Hill Hospital and Gulf Coast Management Group, Inc. in Gulfport, Mississippi; CEO of Community Behavioral Health Systems in Metairie, Louisiana; and spending more than 17 years as a CEO and hospital administrator at hospitals in Georgia, Texas, and Alabama through the Charter Medical Corporation. Mr. Ziemann also kept his hospital running in the three months after Katrina – the only psychiatric hospital in the two-county area to do so.

A fellow of the American College of Healthcare Executives, Mr. Ziemann has been active in ACHE as a board member and president of two Mississippi local chapters. He also served in 2005 on the Mississippi Governor's Commission on Recovery, Rebuilding, and Renewal Committee on Health and Human Services, and chaired the Mental Health Subcommittee. Nationally, he has served on the boards of the Federation of American Hospitals and the National Association of Private Psychiatric Hospitals, and has testified before the Senate Armed Forces Committee on Manpower and Personnel.

A graduate of Auburn (AL) University, Mr. Ziemann received his master's degree in public health in medical administration from Tulane University in New Orleans

Terms Expire 2012

Debra Anderson, LCSW, LPCC
Behavioral Health Coordinator
Baptist Regional Medical Center
Corbin, Kentucky

With more than 30 years of experience in the addiction treatment field, Debra Anderson has been behavioral health coordinator for the Trillium Center at Baptist Regional Medical Center since 1990. After opening the Chemical Dependency Treatment Unit in 1991, Ms. Anderson went on to manage all the programs in the large psychiatric continuum and added adolescent psychiatric/chemical dependency treatment along with several outpatient programs. Before coming to Kentucky, Ms. Anderson served for five years as director of clinical and family treatment programs at Clearview Hospital in Midland, Texas; more than a decade as executive director of a center for battered women and their children, also in Midland; and five years providing outpatient chemical dependency counseling in Ohio and then in Illinois.

She is a past chair of the Certified Chemical Dependency Counselors Board and assisted in its transition to a state-endorsed and regulated credential. Ms. Anderson has taught numerous classes at the graduate and undergraduate level, including at Eastern Kentucky University. She is the author of parent self-help books about adolescent substance abuse and has presented widely, including on the national level.

Ms. Anderson received her bachelor's degree from the University of Wisconsin-Stout in Menomonee, her master's degree in counseling from the University of Akron in Ohio, and her master's degree in social work from the University of Kentucky in Lexington.

James W. Eyler, FACHE
Chief Executive Officer
Coliseum Psychiatric Center
Macon, Georgia

Jim Eyler, whose career in behavioral health care administration spans more than 30 years, has been chief executive officer of Coliseum Psychiatric Center since 2006. Previously, he spent seven years as administrator of Gwinnett Hospital System's SummitRidge Center for Psychiatry & Addiction Medicine in Lawrenceville, Georgia. Before that, Mr. Eyler was senior vice president and chief operating officer of Behavioral Health Partners, Inc., in Atlanta.

A fellow of the American College of Healthcare Executives (ACHE), Mr. Eyler has served ACHE as chair of the Book of the Year Committee and as a member of the ACHE Regent's Advisory Council. He has been a board member and president of the Georgia Behavioral Health Coalition, representing the interests of independent behavioral health providers in Georgia, and a representative on the Georgia Hospital Association's Psychiatric and Substance Abuse Council. In the early to mid 1990s, he was a credentialed member of the American Association of Healthcare Consultants, specializing in strategic planning for behavioral health providers. Mr. Eyler has presented multiple times for numerous organizations, including the ACHE Congress, the NAPHS Annual Meeting, and the AHA Psychiatric and Substance Abuse Section Annual Meeting on diverse subjects such as marketing, new service development, geropsychiatric trends, strategic alliances, and creating behavioral health partnerships.

Mr. Eyler received his undergraduate degree in economics from the University of Virginia and his MBA in health care administration from George Washington University.

Arlene Stein, RN, PhD.
Chair
Memorial Health System
Colorado Springs, Colorado

Arlene Stein is vice-chair of the board of Memorial Health System. She has served on the board since 2004, participating on the Human Resources, Hospital Quality and Safety, and Finance committees. She chaired the Memorial Hospital for Children Advisory Board and served as president of the Memorial Health System Auxiliary. Ms. Stein is retired – her last hospital position was as clinical manager at Memorial Hospital of Colorado Springs, Colorado, in 1996.

A former chair of the Utah Board of Nursing, Ms. Stein was a major in the U.S. Army Reserve Nurse Corps, and was awarded the Army Achievement Medal. She is a member of the National Honor Society of Nursing, the American Organization of Nurse Executives, and the Academy of Medical-Surgical Nurses, and a recipient of the Outstanding Nursing Administrator in Education Award from the Utah Nurses Association, and Teacher of the Year Award from the School of Allied Health Sciences, Weber State College. Ms. Stein is also a member of the Colorado Springs Asset Naming Board.

In addition to nurse administration, Ms. Stein was an educator and a professor at Weber State University in Utah. She received her undergraduate degree at the University of Pittsburgh and her master's degree and doctorate from the University of Utah.

Paul Summergrad, M.D.
Dr. Frances S. Arkin Professor and Chairman, Department of Psychiatry
Professor of Medicine
Tufts University School of Medicine
Psychiatrist-in-Chief
Tufts Medical Center
Boston, Massachusetts

Paul Summergrad, M.D., has chaired the Department of Psychiatry at Tufts University School of Medicine and served as psychiatrist-in-chief of Tufts Medical Center since 2004. He has held the Dr. Frances S. Arkin Endowed Chair since 2005, the year he also became a professor of medicine at the medical school. Dr. Summergrad is also board chair of the Tufts Medical Center Physicians Organization. Before coming to Tufts, he was based at Massachusetts General Hospital (MGH), Partners Healthcare System, and Harvard Medical School, where he was an associate professor of psychiatry. He has previously served as chief of inpatient psychiatric services at MGH, network director of the Partners Psychiatry & Mental Health System, and psychiatrist-in-chief of Partners' North Shore Medical Center, where he was also executive vice president for medical affairs and chief medical officer.

A past president of the Massachusetts Psychiatric Society and the American Association of General Hospital Psychiatrists, Dr. Summergrad is also active in the American Psychiatric Association, where he currently serves on the Steering Committee on Practice Guidelines and the Council on Medical Education. He sits on the board of the Massachusetts Association for Mental Health and on the finance committee of the Academy of Psychosomatic Medicine. Dr. Summergrad has presented and published on a wide variety of subjects and is considered an expert on medical psychiatry and hospital-based psychiatric care.

Dr. Summergrad received both his bachelor's degree and his medical degree from State University of New York at Buffalo. He also completed a program for chiefs of clinical services at the Harvard School of Public Health.

Steven Vincent, Ph.D.
Director, Behavioral Health
St. Cloud Hospital Behavioral Health Services
St. Cloud, Minnesota

Dr. Steve Vincent has been with St. Cloud Hospital since 1977, when he began his tenure as director of psychology for the hospital's behavioral health clinic, and since 1995, he has been director of behavioral health services for the hospital – which includes the clinic, as well as the partial hospitalization programs, inpatient units, chemical dependency services, and the integrated behavioral health and primary care programs. Before coming to St. Cloud, Dr. Vincent spent four years as an assistant professor of psychology at Eastern Michigan University in Ypsilanti.

Active in the Minnesota Psychological Association, Dr. Vincent has served on its governing council for the past five years and has chaired its Legislative Committee for the past seven years. He has been president since 2004 of the Minnesota Behavioral Healthcare Coalition – eight hospitals and behavioral health providers working collaboratively with the state's Department of Human Services – and has served since 2007 on the governing board of STARS for Children's Mental Health, a four-county, multi-agency and consumer-driven initiative to re-design children's mental health delivery. Recently, in 2009, Dr. Vincent was named to the State of Minnesota Health Care Reform Review Council. He is currently involved in several statewide collaborations, including ones that address dual-disorders treatment in inpatient mental health units and depression care in primary care settings.

A graduate of the University of Kansas in psychology, Dr. Vincent received his doctorate in clinical psychology from the University of Southern California in Los Angeles. He is a licensed psychologist in the state of Minnesota.

Terms Expire 2013

Terrance R. Bridges
Vice President, Behavioral Health Services
Hospital Corporation of America
Nashville, Tennessee

Terrance R. Bridges has been vice president of Behavioral Health Services for HCA, since October 2009, the nation's leading provider of health care services, and third largest provider for inpatient acute psychiatric services.

He is responsible for supporting HCA's 47 Behavioral health facilities located throughout the country, as well as providing support to the emergency departments working with behavioral health patients. Mr. Bridges has been involved in behavioral health professionally for the past 30 years, most recently at Psychiatric Solutions Inc., the nation's largest behavioral health provider, where he served as Western Division president and COO (2007–2009). Mr. Bridges served in other roles for Community Psychiatric Centers and Ramsay Healthcare Inc., and worked with Cedar Sinai Medical Center in California for eight years.

He is a former member of the California Hospital Association (CHA) Board of Trustees; the CHA Center for Behavioral Health, where he served two terms, including as its chairman; and the California Network of Behavioral Health (CALNET).

Mr. Bridges received his bachelor's degree in psychology from California Lutheran College in Thousand Oaks, and his master's degree in clinical-community psychology from California State University Northridge.

Stuart A. Buttlair, Ph.D.
*Regional Director of Inpatient Psychiatry
and Continuing Care
Northern Kaiser Permanente
Oakland California*

Stuart Buttlair, Ph.D., is regional director of inpatient psychiatry and continuing care for Northern California Kaiser Permanente, the lead mental health representative within Kaiser's State Program Initiatives, and the designated resource management director for behavioral health. He is also the Permanente Medical Group lead in the design and development for the new inpatient psychiatric hospital in Kaiser Santa Clara Medical Center, set to open in 2010. Prior to coming to Kaiser in 1987, Dr. Buttlair was chief of acute and subacute services for Marin County Mental Health. He has more than 30 years of clinical and management experience, providing leadership and direction in health care delivery in both the public and private sectors.

Dr. Buttlair was elected to the California Hospital Association Behavioral Health Board in 2008, and served as co-chair of the IBHI Collaborative on Emergency Department and Behavioral Health in 2007-2008. He has been on numerous national quality panels, most recently involving involuntary seclusion procedures, and is a member of IHI. In both 1997 and 2002, Dr. Buttlair was awarded "Most Valuable Psychologist in Northern California" by the Kaiser Permanente Regional Psychological Society, and he received the 2005 Chair of the Chiefs of Psychiatry Award. Dr. Buttlair also served as behavioral health representative on the State Programs Policy Implementation Group.

A graduate of the University of Colorado in Boulder, Dr. Buttlair has a doctorate in clinical psychology from the University of Colorado's Institute of Integral Studies and a master's degree in business administration with an emphasis on health care management, finance, and marketing from University of California's Graduate School of Management in Irvine.

Anthony Dekker, D.O.
*Vice President, Medical Affairs &
Chief Medical Officer
St. John Providence Health System
Brighton Hospital
Brighton, Michigan*

Anthony Dekker, D.O., is vice president for medical affairs and chief medical officer at St. John Providence Health System Brighton Hospital in Michigan. He directs the clinical and academic medical programs at Brighton Hospital within St. John Providence Health System, a unit of Ascension Health, America's largest faith-based health system. He recently served the Indian Health Services for 12 years as the acting director of the Office of Health Programs at the Phoenix Area Office and the associate director of the Phoenix Indian Medical Center and the director, Ambulatory Care and Community. He was also the director of medical education for the Phoenix Indian Medical Center.

As a Public Health Service Scholar, he served Chicago's South Side for 14 years. He was professor and chair of family medicine at the Kansas City University of Medicine and Biosciences and clinical associate professor at the University of Kansas Medical Center and the University of Missouri-Kansas City (Children's Mercy Hospital) during his four years in Kansas City. Dr. Dekker is board certified in family practice and osteopathic manipulative treatment, adolescent and young adult medicine, and addiction medicine. He is a fellow in numerous professional societies, and he is the chief clinical consultant in addiction medicine and chronic pain for the Indian Health Service, U.S. Public Health Service.

A graduate of Hope College in Holland, Michigan, he completed his osteopathic medical degree at Michigan State University. He completed his internship and family medicine residency at the Chicago College of Osteopathic Medicine and an Adolescent and Young Adult Medicine fellowship at Rush-Presbyterian-St Luke's Medical Center in Chicago.

Sako Maki

President

Adventist Behavioral Health

Rockville, Maryland

Sako Maki, has been president of Adventist HealthCare Behavioral Health Services since September 2007. She initially joined Adventist in May 2007 as vice president and chief operating officer of Potomac Ridge Behavioral Health. Her current position encompasses being CEO of that facility plus running a center for infants and young children and the behavioral health unit at Washington Adventist Hospital, as well as a full continuum of outpatient services and a special and a general education school. Previously, Ms. Maki spent four years at Gateway Regional Medical Center in Granite City, Illinois, first as administrator of behavioral health services and then as assistant CEO. Her behavioral health administration career has also included leadership positions in Texas, Colorado, and California. Ms. Maki began her career as a social worker in a variety of California psychiatric facilities and units.

Since September 2009, Ms. Maki has been serving on the University of Maryland School of Social Work board for a three-year term. She is also a member of the Montgomery County Mental Health Advisory Committee.

Ms. Maki received her bachelor's degree and her two master's degrees – one in social work and the other in public administration – from the University of Southern California.

Regional Policy Board/RPB

Liza Jensen, LCSW- Delegate RPB 7

Executive Director

Department of Behavioral Medicine

Methodist Healthcare System

San Antonio, Texas

Liza Jensen serves as the Executive Director with Methodist Healthcare System. She has been in the healthcare field for over 22 years and has extensive experience in quality assurance, performance improvement and regulatory compliance. In her current position, she provides oversight for 105 inpatient beds and outpatient services for partial hospital and intensive outpatient services. Her facility catchment area provides psychiatric care for the 56 surrounding counties in South Texas, making MHS is the largest private psychiatric provider of acute care beds in the San Antonio community.

Ms. Jensen is a board certified diplomat in clinical social work and she is also certified as an Advanced Clinical Practitioner and through the Academy of Certified Social Workers.

A graduate of the University of Texas at San Antonio, Ms. Jensen received her master's degree in social work from Our Lady of the Lake University, also in San Antonio, where she taught evening graduate courses in clinical programs with course expertise in group therapy and psychopathology.

Cindy J. Rogers, FACHE-Alternate Delegate RPB 7

Administrator

St. Francis North

St. Francis Medical Center

Monroe, Louisiana

Cindy Rogers has thirty six years in healthcare experience in diverse clinical and leadership roles. She has, for those years, worked in varied capacities within the Franciscan Missionaries of Our Lady Health System, St. Francis Medical Center and related subsidiaries; with multiple areas of responsibility throughout inpatient and outpatient services as well as psychiatry, skilled nursing facility, acute rehabilitation, long term acute hospitals, elderly services, home health and hospice. Currently she is the Administrator for St. Francis North, with administrative oversight to Franciscan House Adult Day Healthcare Center and Regional Hospital Emergency Preparedness.

Cindy holds a Master's Degree from Southern University in Hattiesburg, Ms. and a BA Degree from University of Louisiana at Monroe. She is certified in healthcare administration achieving Fellowship status within the American College of Healthcare Executives. She is licensed as a Board Certified Social Worker in Louisiana as well as a Licensed Nursing Home Administrator.

Cindy participates at leadership levels in numerous professional organizations. She has served many years in both the N.E. District and state board of the Louisiana Hospital Association (LHA). She currently is Chair of the Louisiana Hospital Association She is active in the American Hospital Association (AHA) and was recently elected as a delegate to AHA's Region 7 Policy Board.

Community and civic service is a priority for Cindy and she has current or past leadership roles with many organizations including Communities Acting to Benefit Louisiana's Elderly, Ouachita Council on Aging, ARCO, United Way, American Cancer Society and the Cancer Foundation League. She currently is a Trustee to the Monroe Chamber of Commerce. She has received multiple awards/recognitions throughout the years including: 1981 listed in Outstanding Young Women in American, 1988 named Woman of the Year for Ouachita Parish, 1996 honored by the Governors Office of Elderly Affairs as the founding member of Communities Acting to Benefit Louisiana's Elderly (C.A.B.L.E.) for Ouachita Parish; 2001 awarded a Rotary Paul Harris Fellow, 2003 awarded a Governor's Recognition for her leadership role in Emergency Preparedness for N.E. Louisiana Hospitals, and in 2009 awarded the American Hospital Associations Grassroots Champion Award for Louisiana.

Patricia R. Recupero, J.D., M.D.-Delegate RPB 1

President and Chief Executive Officer

Butler Hospital

Providence, Rhode Island

President and CEO of Butler Hospital and executive vice president for behavioral health of Care New England since January 1999, Dr. Patricia Recupero has extensive experience in the field of mental health. A member of Butler Hospital's staff since 1989, she has served the hospital both administratively and clinically as executive vice president, vice president of systems integration and managed care, medical director, chief of forensic psychiatry, director of managed care, and director of alcohol and drug inpatient services. Board certified in forensic psychiatry and addiction psychiatry, Dr. Recupero is clinical professor of psychiatry at the Warren Alpert Medical School of Brown University and has been a member of Brown's Department of Psychiatry and Human Behavior since 1989, including serving as the psychiatry residency training director.

Dr. Recupero is president-elect of the American Academy of Psychiatry and the Law and past president of the National Association of Psychiatric Health Systems. She serves as area representative of the American Psychiatric Association Assembly and is a member of the Assembly Executive Committee for Area I. She is also the chairperson of the Manfred S. Guttmacher Award Committee, chair of the Workgroup on Cyber Medicine, and has just completed a lengthy term as a member of the Council of Psychiatry and the Law. With a long history of advocating for the rights of the mentally ill as a psychiatrist and administrator, Dr. Recupero was recognized by the National Association of the Mentally Ill as an Exemplary Psychiatrist and was cited for her extensive knowledge of the clinical, operational, and legislative aspects of behavioral health. She also served a two-year term as president of the Rhode Island Psychiatric Society.

With degrees in both medicine and the law, Dr. Recupero draws upon a unique set of skills, knowledge, and expertise to effectively advocate for mental health. She received her undergraduate degree from the State University of New York College at New Paltz, her legal degree from Boston College, and her medical degree from Brown University.

Michele L. Gougeon- Alternate Delegate RPB 1
Executive Vice President/Chief Operating Officer
McLean Hospital
Belmont, Massachusetts

Michele L. Gougeon, has been executive vice president and chief operating officer of McLean Hospital in Belmont, Massachusetts, since 1992. Previously, she served as chief information officer at McLean. Prior to joining McLean, Ms. Gougeon held the position of assistant vice president for management systems at Brigham and Women's Hospital in Boston. Her previous employment history includes positions in government with the Health Care Financing Administration and in private industry with McDonnell Douglas Corporation. She holds an appointment as a lecturer in psychiatry at Harvard Medical School.

Ms. Gougeon is active in community and professional organizations. She is currently a board member of the National Association of Psychiatric Health Systems and chairs the Payment Systems Committee. She is a past president of the Massachusetts Association of Behavioral Health Systems. Ms. Gougeon is also a current board member and former board chairman of Big Brothers Association of Massachusetts Bay.

A graduate of Franklin and Marshall College, Ms. Gougeon holds master's degrees from both the Bryn Mawr Graduate School of Social Work and Social Research and the Harvard School of Public Health.

Appointments

Anil Godbole, M.D., TJC Mental Health PTAC Principal
Chairman, Department of Psychiatry
Advocate Illinois Masonic Medical Center
Chicago, Illinois

Anil Godbole, M.D., currently chairs the psychiatry departments at Illinois Masonic Medical Center in Chicago. He also chairs the Advocate Behavioral Health Council. From 1995 to 1999, Dr. Godbole was corporate medical director for behavioral health services for Advocate Health Care, and from 1997 to 2001, he also functioned as medical director of a joint venture managed care company. Dr. Godbole is a clinical associate professor at University of Illinois School of Medicine at Chicago and is actively engaged in undergraduate and residency programs.

He recently served as President Bush's appointee to the New Freedom Commission on Mental Health, and he chaired its Subcommittee on Evidence-based Practices and co-chaired its Subcommittee on Older Adults. Dr. Godbole served as president of the National Association of Psychiatric Health Systems for two years (2001-2002). During his term, Dr. Godbole led initiatives that fostered collaboration with other organizations on developing a core set of performance measures and working with CMS on inpatient PPS. He has been an active member of the Behavioral Health Steering Committee for the Illinois Hospital Association for several years, and has chaired the committee. Dr. Godbole also served as an elected councilor for the Illinois Psychiatric Society (2001-2003) and co-chaired its Economic Affairs Committee. He has also served on the behavioral health section of the Professional and Technical Advisory Committee of JCAHO. Dr. Godbole remains an active member of NAMI-Illinois and the Mental Health Association of Illinois. He recently served on AHA's Behavioral Health Task Force.

A distinguished fellow of the American Psychiatric Society, Dr. Godbole's career spans more than 30 years. He has authored several articles, presented at various national meetings, and was the founding president of a 100-physician multispecialty Independent Physicians Association affiliated with Ravenswood Hospital. Dr. Godbole received his medical degree in India at MGM Medical College and completed his residency in psychiatry at Mt. Sinai Hospital in Chicago.

Walter Whang, M.D., TJC Mental Health PTAC Alternate

*Medical Director, Adult Services
Linden Oaks Hospital at Edward
Naperville, Illinois*

Walter Whang, M.D., has been director of adult inpatient services for Linden Oaks Hospital at Edward since 2000. He is also the founder and medical director for Linden Oaks Medical Group, as well as the medical director for Perspectives, Inc., an employee assistance program. During this time, Dr. Whang has also served in other capacities, including as academic director of the chemical dependency program at MacNeal Hospital in Berwyn, Illinois, and as a clinical assistant professor at the University of Chicago. His 20 years in the field also includes several other positions at MacNeal and Loyola University Medical Center in Maywood, Illinois.

The recipient of numerous awards for teaching, Dr. Whang also serves on the executive committee of Edward Hospital in Naperville and on the quality assurance committee of Linden Oaks Hospital.

Dr. Whang received his undergraduate degree from Kent State University and his medical degree from Northeastern Ohio Universities College of Medicine

Anita Everett, M.D. D.F.A.P.A.-AHA Liaison to APA

*Section Director
Community and General Psychiatry
John Hopkins School of Medicine
Bayview Campus
Baltimore, Maryland*

Dr. Everett currently leads the Johns Hopkins Bayview Community Psychiatry program in Baltimore MD. She is on the faculty of the school of medicine and has a joint appointment in the Bloomberg School of Public Health, Department of Mental Health. Her current area of research interest is the health of individuals with long term mental illnesses. Prior to joining the Johns Hopkins staff, Dr Everett served as the Chief Medical Advisor to the US, HHS Substance Abuse and Mental Health Services Administration in Rockville, MD. Dr Everett is active in a number of

professional organizations at a national level including the American Psychiatric Association and the American Association of Community psychiatrists. She participates in the Group for the Advancement of Psychiatry the Maryland Psychiatric Society. She has worked in state level mental health and public policy as the Virginia Inspector General to the state facility system. In Virginia she participated in a number of legislative activities that involved the Virginia Hospital and Health Care Association. Too often in the last two decades, funding mechanisms have dictated the types of services that can be delivered in private as well as public settings. Currently in her role as chair of the APA Council on Healthcare Systems and Finance, she hopes to promote and empower psychiatrists and other healthcare providers to become more proactively engaged in the decision processes regarding what types of services are paid for so that the consumers and patients we serve have greater opportunity to participate meaningfully in the community of their choice.

William Rea, M.D.-AHA Liaison to NIAAA

Director, Inpatient Psychiatric Services

Carilion Medical Center

Roanoke, Virginia

William Rea, M.D., has been worked at Carilion Medical Center since 2000, and became director of inpatient psychiatric services there in 2004. Among his other positions, he is an associate professor of clinical psychiatric medicine at the University of Virginia, Charlottesville, as well as a member of the UVA Academy of Distinguished Educators. Dr. Rea has been involved in hospital-based addiction treatment since completing his psychiatric residency at Yale University in 1981. He was certified in the treatment of alcohol and other drug dependencies by the American Society of Addiction Medicine from 1993 to 2003, and certified in addiction psychiatry since 1993. As a hospitalist and clinical administrator, Dr. Rea designed and administered substance abuse programs in Florida at several private psychiatric hospitals including Lake Hospital of the Palm Beaches, Fair Oaks Hospital at Boca/Delray, and CPC Fort Lauderdale Hospital.

Dr. Rea served as an evaluator for the Florida Board of Nursing for impairment in nurses and was involved in providing recovery services to physicians, nurses, lawyers, and dentists. From 2000 to 2004, Dr. Rea was a Governor's Scholar in Rural Psychiatry for the Commonwealth of Virginia. He has lectured about addiction to regional and national audiences, including the American College of Occupational Medicine, the Florida Psychiatric Society, and the Iowa Department of Corrections. Dr. Rea serves on the boards of Bethany Hall Residential Drug Treatment Program and Roanoke Mental Health America of Roanoke Valley.

A graduate of the Massachusetts Institute of Technology in biology, Dr. Rea received his medical degree from Yale University's School of Medicine.
