

Bruce Schwartz, M.D.

Deputy Chairman & Clinical Director

Department of Psychiatry and Behavioral Sciences

Montefiore Medical Center

Bronx, New York

Bruce Schwartz, M.D., has been clinical director of psychiatry for Montefiore Medical Center since 1985 and deputy chairman of the Department of Psychiatry and Behavioral Sciences at the Albert Einstein College of Medicine since 2010. He also helped create a behavioral management services organization, University Behavioral Associates in 1995, for which he serves as president, CEO, and medical director, and he has been president of the Montefiore Behavioral Care IPA, Inc. since 1997.

Dr. Schwartz is committed to the AHA's vision of integrated delivery systems demonstrated through service on committees for many organizations, including the Greater New York Hospital Association's PPS Psychiatry Advisory Workgroup and Mental Health/Substance Abuse Services Committee, the New York City Department of Health and Mental Hygiene's NYPD - Emergency Departments Task Force, The New York Academy of Medicine's Committee on Admission, and the Mental Health Association of New York City's Professional Advisory Board (Chairman), Strategic Planning Committee, and Board of Directors. Dr. Schwartz is also a consultant and the past chairman of the American Psychiatric Association's Council of Healthcare Systems and Financing.

Dr. Schwartz is a Professor of Clinical Psychiatry at the Albert Einstein College of Medicine and has published and presented on psychiatric issues in numerous venues and publications, and he has won several awards and been honored as a fellow of the New York Academy of Medicine and a distinguished fellow of the American Psychiatric Association. A graduate of the City University of New York, Queens College, Dr. Schwartz earned his medical degree from SUNY Downstate Medical College in Brooklyn.
