St. John's Hospital, Springfield, IL

Dear Laurie,

Thank you for delivering the good news that it has been determined I am eligible for full assistance with regard to my Christian Care application. Your letter has been a welcome moment of relief during a very trying and stressful time. Please pass on my thanks to any and all who gave their time and consideration to my situation. I am very grateful for the gift they have bestowed upon me, and I am working diligently to try to prevent such a situation from arising again.

Thank you again.

Sincerely,
Joseph Sabetti
