

### **Apexus releases 340B resource for C-suite leaders**

Apexus, the prime vendor for the Health Resources and Services Administration Office of Pharmacy Affairs' 340B Drug Pricing Program, has released a new [resource](#) to help C-suite leaders manage the 340B program. In addition to providing specific tips for hospital leaders, the resource also provides information about why 340B compliance is important, contract and in-house pharmacy arrangements, best practices for self-audits and other topics. For more information and 340B resources from Apexus, visit <https://www.340bpvp.com/controller.html>.
