

Terri is the Director of “The Center for Behavioral Health” Outpatient Services at Middlesex Hospital located in Middletown, CT. She has worked at Middlesex for 26 years. Terri has worked in collaboration with multiple provider agencies in Middlesex County to revive and enhance care coordination as part of the Community Care Team model. She has been actively involved in community conversation since May of 2014 with a goal of promoting the conversation that mental health disorders and addiction are diseases that people do recovery from.

Terri has been an Occupational Therapist for 30 years working primarily in Outpatient Behavioral Health. She received her MBA with a focus in Healthcare Management in 2006. She has been an Adjunct Assistant Professor of Occupational Therapy at Quinnipiac University in Hamden CT. since May of 1998. Terri is currently the co-chair of the Mental Health and Substance Abuse Sub-committee at CHA and the Operations Sub-committee for the Behavioral Health Oversight Committee. She has served on the Oversight Council since 2009.
