

## Michael Saxe, M.D.

Dr. Michael Saxe earned his medical degree at the University of Vermont College of Medicine and completed his residency at the University of Washington in Seattle. A board certified emergency physician, he has practiced at Middlesex Hospital for 30 years and has served as Chair of the Department of Emergency Medicine since 1994. Since 2012, he has been a member of the Middlesex Community Care Team, which arranges care coordination for ED superusers, dramatically reducing ED and inpatient visits of this population. As Co-Chair of the Connecticut ED Directors' Group, Dr. Saxe was a co-author of the Opiate Prescribing Guidelines for Connecticut Emergency Departments.
