

JOAN HAUBENREISER**Corporate Vice President****Novant Health, Value Based Care, Integration & Behavioral Health Service**

Jo is a graduate of East Carolina University with a degree in Physical Therapy and has completed post graduate studies in Exercise Science @ Wake Forest University and Business Administration @ Pfeiffer University.

Jo's current responsibilities include the integration of specifically identified Clinical Services into Population Health. She is also responsible for the strategic positioning of the Behavioral Health Services within Novant Health. Novant Health provides inpatient services in 6 of its 14 hospitals totaling 255 beds with populations served including adolescents, adults, and geriatrics.

Jo has been responsible for the approval and implementation of several local community services sponsored by Forsyth Medical Center including mobile crisis services, a dedicated 24/7 mental health call line, tele-psychiatric services for small & rural hospitals that lack access to psychiatric consultants, and an alternative 24/7 Assessment Center for mental health care.

Jo has been employed at Novant Health since 1991. Contact info: jmhaubenreiser@novanthealth.org

Dr. Ken Dunham,**Medical Director Psychiatric Medicine****Novant Health**

Dr. Ken Dunham is an award-winning physician leader in psychiatry at Novant Health. He is board certified in the specialty fields of psychiatry and internal medicine. He has degrees in biology, health education and medicine. He is a Fellow of the American Psychiatric Association. Before joining Novant Health as a physician leader for behavioral health service line, Dr. Dunham supervised the transformation of medical services at a state psychiatric hospital and worked in academic medicine. He has published articles in basic sciences, medicine and physician leadership. He has presented research and educational talks at national and state physician conferences. He has presented innovations in psychiatric care to c-suite professionals as part of a national thinktank group. Dr. Dunham lives in North Carolina with his wife of fifteen years and three children."

Todd M. Clark, PhD, LPC, LCAS

Credentials: PhD in Counseling, Licensed Professional Counselor, Licensed Clinical Addiction Specialist.

Bio: Todd has provided treatment services and leadership in the public and private behavioral healthcare sectors for over 24 years. In the past 12 years at Novant Health, his services have achieved top national rankings in patient satisfaction and employee engagement. He has lead efforts to build an array of comprehensive 24-hour continuum of behavioral health services, including the integration of video conferencing and mobile technology, that has reduced wait times and provide alternative solutions for access to care. Todd has shared this model of care with several major conferences, industry leaders, and was recently interviewed by the Wall Street Journal.

Richard Maas, MBA**Behavioral Health Manager of Operations****Novant Health**
