Disclaimer for non-VA providers: The VA PTSD Consultation Program for Community Providers offers education, training, information, consultation and other resources to non-VA health professionals who treat Veterans with PTSD outside of the VA system. These services are provided consistent with evidence-based practices for PTSD and VA consensus statements such as the VA/DoD Clinical Practice Guidelines for PTSD. Our goal is to improve the care available to all Veterans with PTSD regardless of where they access services. We offer expert guidance on general issues that come up in the course of caring for Veterans with PTSD. We cannot, however, provide direct guidance or consultation regarding nor assume clinical responsibility for specific patients; any potential liability would be only in accordance with the Federal Tort Claims Act.
