

Case Examples of Volunteers Transforming Health Care

Improving quality

**Improving
patient engagement**

Enhancing communities

**Enhancing the
patient experience**

**Promoting
wellness and prevention**

**Fostering
healthy outcomes**

Promoting safety

Raising funds
for equipment and scholarships

American Hospital
Association

Health care volunteers across the country are engaging in service areas that enhance experiences for patients and families and promote wellness and prevention in communities.

The American Hospital Association is proud to promote summaries of these programs. **For information, go to: www.aha.org/volunteers**
