

Yuma Hospital District – Yuma, Colorado

Patient Centered Medical Home

- All clients enrolled in the Colorado Accountable Care Collaborative (ACC have a PCMP)
- Colorado Access will pay participating PCMHs \$2 per member per month, plus another \$1 per month for reductions in 30-day readmissions, ED visits, and high cost imaging
- Starting with patients who have diabetes, hypertension or a combination of both
- Developed provider teams and a process for assigning patients to those teams
- Hired two patient navigators who have been extensively trained in health coaching
- IT department has been actively involved in creating new ways to track and monitor patients.
