

2017 Invitation For Trustee Involvement

AHA seeks hospital & health system trustees to help develop national health care policy

Applications Due February 23, 2017

Opportunities

Appointments for trustees are available on two AHA committees that provide input on health policy development:

- **Committee on Governance:** national committee comprised of trustees
- **Regional Policy Boards:** regional committees comprised of CEOs, physicians and trustees

Benefits

- Opportunity to contribute to national health policy development
- Learning from national health thought leaders
- Unique access to AHA health care resource content
- Networking with fellow trustees from across the country

Qualifications

- Candidates must be associated with an AHA institutional member hospital/system
- Minimum three-year trustee experience by January 2018
- One trustee candidate per organization per year
- Community advisory and foundation board members may apply

Time Commitment

- Three year appointments, beginning in January 2018
- Three, 2-day meetings per year

Selection Process

- Spring: candidates interviewed by phone
- Late Summer: appointment recommendations developed
- Fall: final approval of appointments by AHA Board

How to apply

- Complete the Trustee Involvement Application*
- Obtain the signature endorsements
- Return with current bio/resume by February 23, 2017
