

# ILLINOIS RURAL COMMUNITY CARE ORGANIZATION

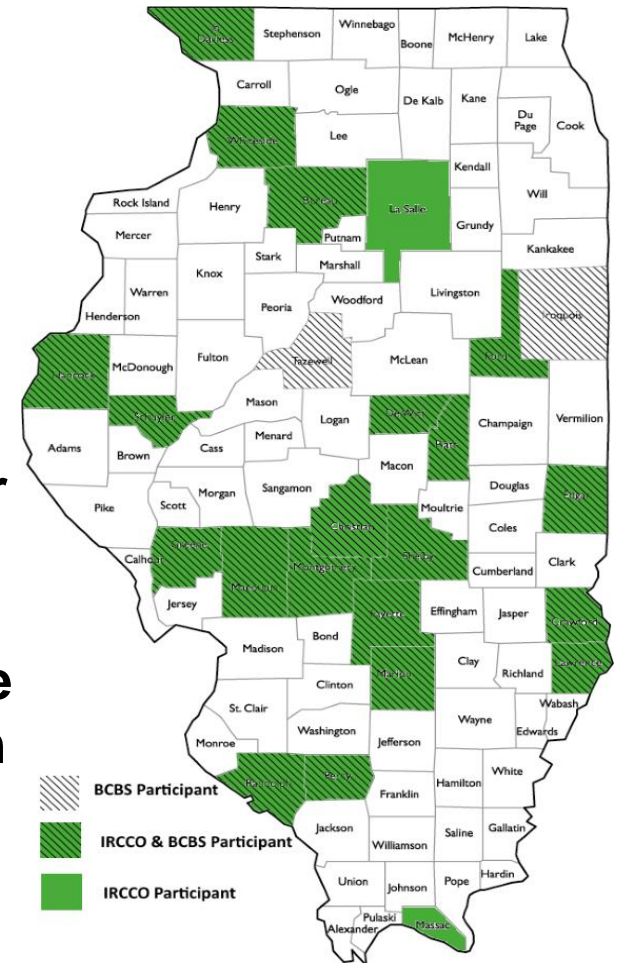

## Statewide Rural Accountable Care Organization

**IRCCO** was established in 2015 and is an ACO investment model or AIM

- Membership includes rural hospitals, 21 CAHs, independent physician practices, RHCs and FQHCs.
- Receives pre-payment of shared savings in both upfront and ongoing per beneficiary per month payments

Added incentive comes from participating in the **BCBS-IL Intensive Medical Home (IMH)** program

- Beneficiaries with complex and chronic health conditions
- Financial support to the IMH provider based on the number of BCBS members enrolled
- Based on claim information filed with BCBS
