

## **A Community Partnership for Behavioral Health: Spectrum Health Gerber Memorial's Experience**

**Tuesday, January 26, 2016**

**4:00 pm – 5:00 pm Eastern**

On behalf of the American Hospital Association Section for Psychiatric and Substance Abuse Services, I invite you to join a small group of your executive colleagues for a webinar and discussion. Randy Stasik, President, and his colleagues Shelly Johnson, Vice President, Community and Integrated Services and Janice Stone, Vice President, Clinical Integration, Spectrum Health Gerber Memorial, Fremont, Michigan, will describe the work that SHGM, a small rural hospital, is doing to expand timely access to behavioral health services through a collaborative program with multiple community-based programs.

Learn how SHGMH has worked with Newago County Mental Health (NCMH) to integrate behavioral health in Newago County, including embedding a NCMH clinician at two Rural Health Clinics. Speakers will share the impact of a comprehensive partnership between physical and behavioral health providers.

There will be time for you to talk with the speakers about the program as well as your own initiatives. To register, [click here](#). An email with information on how to access the webinar will be sent to you on Monday, January 25th.

If you have any questions, please contact Camille Fernands at 312-422-3302 or [cfernands@aha.org](mailto:cfernands@aha.org).
