

Rural Hospital Leadership Award

2017 Application

The Rural Hospital Leadership Award from the **AHA Section for Small or Rural Hospitals** honors an individual who has guided his/her hospital and community through transformational change on the road to health care reform and displayed outstanding leadership and commitment to the Triple Aim – better health, better healthcare and lower costs.

The recipient will receive a **stipend for 2017 of \$1,500** to defray the honoree's expenses to attend the Health Forum Rural Leadership Conference in Phoenix or the AHA Annual Meeting in Washington, DC. The AHA will work with the recipient and finalists to provide national recognition of your achievements through media releases and announcements and feature stories in our national print and electronic media publications.

Eligibility: Applicants must be the chief executive officer, president or administrator of an AHA member hospital located in a rural area. We encourage applications from hospitals that demonstrate they are on the road to health care reform.

We request a description of your efforts on one or more of the following initiatives:

- Coordinated care
- Improved population health through disease specific or public health interventions
- Clinical integration
- Accountable care, bundled payments and managed risk
- Advances in access to care
- Increased capacity of clinical workforce
- Extended or expanded access to coverage and
- Improved outcomes

Central to all these efforts and important to your application is evidence of community and patient engagement.

***Applications must be submitted by August 11, 2017.
Award recipient and finalists are notified in November***

Application Requirements

All applications should be accompanied by the following supportive data:

- Applicant's current resume
- A letter of no more than three pages that clearly describes the applicant's qualifications and his/her reason for pursuing the award.
- A letter of recommendation from a hospital board chair whenever possible.
- Please include:
 - A brief description of the applicant's hospital and community
 - Examples of one or more innovative programs that have met hospital or community needs
 - Evidence of collaboration with community leaders, physicians and others
 - Evidence of success and sustainability of the program or programs in the hospital or community
