Our vision: A society of healthy communities where all individuals reach their highest potential for health.

Our commitment:

Access: Access to affordable, equitable health, behavioral and social services

Value: The best care that adds value to lives

Partners: Embrace diversity of individuals and serve as partners in their health

Well-being: Focus on well-being and partnership with community resources

Coordination: Seamless care propelled by teams, technology, innovation and data

Our role: The ‘H’ of the future = Hospitals, Health systems, and Health organizations that are:

→ Partnering and leading in our communities
→ Striving toward the vision to advance health in America
→ Helping our communities beyond the four walls of the hospital
→ Creating new models of care, services and collaborators
