Patty Ostaszewski, MS, BSN, RN, CRRN, LNHA
Chief Executive Officer, HealthSouth Rehabilitation Hospital of Toms River

Patty has enjoyed many years of employment at HealthSouth Rehabilitation Hospital of Toms River. She was originally hired as the evening nursing supervisor, promoted to the chief nursing officer, and assumed her role as Chief Executive Officer in 1996. She holds a Bachelor of Science degree in nursing and a master’s degree in healthcare administration from New Jersey City University. Patty is a Certified Rehabilitation Registered Nurse (CRRN®) and a Licensed Nursing Home Administrator (LNHA) with many years of administrative and clinical experience.

During the years that Patty has been CEO, HealthSouth Rehabilitation Hospital of Toms River has been in the Uniform Data System (UDS) Top 10% for 11 years for clinical outcomes. The hospital has six Disease-Specific Programs certified by The Joint Commission. Additionally, Toms River is a 2018 Encompass Health Stroke Center of Excellence, and is consistently rated in the top quartile of the company’s Clinical Ranking Report.

Patty was the former chair of the American Hospital Association’s Governing Council for Long Term Care and Rehabilitation. She is currently a Technical Expert for the American Hospital Association HRET HIIN 2018 Rehabilitation Hospital Project. Patty is a member of the New Jersey Hospital Association’s (NJHA) Board of Trustees and is presently the Chair of the NJHA HealthPAC Committee. Additionally, she is a member of HealthSouth’s National Nursing Advisory Board, as well as the Visiting Nurse Association Home Health Advisory Board, a member of the Monmouth Medical Center Southern Campus Foundation Board, as well as a board member of the American Cancer Society.

Padma Adusumilli, M.D.
Medical Director, HealthSouth Rehabilitation Hospital of Toms River

Dr. Padma Adusumilli serves as medical director of HealthSouth Toms River, a position she assumed in December 2017. Before moving into the role of medical director, Adusumilli who is board certified in physical medicine and rehabilitation, served as a staff physician at the inpatient rehabilitation hospital since 2008. In addition, she previously served at HealthSouth’s hospital in Tinton Falls as Medical Director from 2002-2008. Altogether, she has more than 25 years’ experience in inpatient rehabilitation. After graduating from Kilpauk Medical College, she completed her residency in physical medicine and rehabilitation at St. Vincent’s Hospital and Medical Center of New York where she served as chief resident.

Beth Lynch, MS, CCC-SLP
Associate Administrator, HealthSouth Rehabilitation Hospital of Toms River

Beth received her Bachelor of Arts and Masters of Science in Communication Disorders from Eastern Washington University. She joined the HealthSouth team in 2003 as a Speech Language Pathologist in Arizona. Beth has experience in program development, marketing, and leadership including the Director of Therapy Operations at HealthSouth The Woodlands. She encourages patient focused care and operational management in pursuit of excellent functional outcomes and patient experience. Beth is currently the Associate Administrator at HealthSouth Rehabilitation Hospital of Toms River. She is participating in HealthSouth’s formal program “Developing Future CEOs”
