

— HOSPITALS & HEALTH SYSTEMS JOINING TOGETHER — IMPROVES CARE AND LOWERS COSTS

LOWERS COSTS

2.5%

Reduction in annual operating expenses at acquired hospitals

IMPROVES HEALTH CARE QUALITY

By standardizing clinical protocols and investing in upgrades to facilities and services

EXTENDS SERVICES AVAILABLE TO COMMUNITIES

By joining together, hospitals can preserve care and even offer new services to their communities

Preserve services and **EXTEND THE REACH OF SPECIALISTS** to communities without them

Offer **SERVICES IN MORE CONVENIENT LOCATIONS** tailored to the needs of their communities

Extend **NEW WAYS TO DELIVER CARE, SUCH AS TELEMEDICINE** consults from distant locations
