Ready to get started?

Here’s what you need to do.

In order to access the AHA Digital Pulse you’ll need to have an account on the AHA.org website, and confirm that your account is linked to your organization.

Here’s how to set up your account on AHA.org

*Note: For the best support with the AHA Digital Pulse we advise that you use 🌌 Chrome 🌌 Firefox 🌌 Safari or 🌌 Microsoft Edge. (Note: IE browser is currently not supported)*

1. Visit www.AHA.org
2. Click **Register/Log In** (NOTE: If you’ve already created an account, you can skip to page 3. If you have not, follow the steps below.)
3 Click **Create an Account**

4 Enter your email address and click submit. **If you are affiliated with an AHA member organization, use your business email address.**

5 After you submit your email a list of organizations will display and you will be required to select one of the options:

   a. If you see your organization listed, select it and click **“Link my user account to this org”**. This will auto populate the fields in the **“Address Information”** section.

   b. If you do not see your organization on the list, click **“Search for your organization by zip code”**. List of organizations will display once zip code is entered.

6 Enter your personal information and click **Create Account**

   a. Password requirements:
      
      i. at least eight characters
      
      ii. contain at least one number
      
      iii. contain one upper-case letter
      
      iv. contain no symbols
If you’ve already created an account on AHA.org, you will need to confirm that your profile is linked to your organization.

**Here’s how to confirm your linked profile.**

1. Visit www.AHA.org
2. Click “Register/Log In” button
3. Enter your login credentials. Your username is your email address. (Note: Click “Forgot Password” if you need to reset your password. Enter your email and check your inbox for an email from ahahelp@aha.org that includes instructions to reset your password.)
4. Return to the homepage and click “My AHA.org” button.
5. You’ll be taken to your personal homepage where you should click “Edit My Info” so that you can make sure your organization information is accurate and complete.
6. From your profile page please review your organization information to confirm your AHA member organization is listed. If this information is blank, you must edit your contact information by clicking the pencil icon next to Organization.

A window will appear that will prompt you to provide details of your change request. Click “Continue” to proceed. You will see a thank you page. Please click “Finish.” You will then receive an email confirming the details of the changes you requested.

Note: If you are still having problems logging in and/or experiencing another issue please fill out the contact form or feel free to call us at (312) 422-3000.
Now that your personal account is linked to your AHA member organization’s account, you can get access to AHA Digital Pulse!
