HRSA Opens Reporting Portal for Provider Relief Funds, Shares Resources to Assist With Reporting

Providers who received funding before June 30, 2020, must report by Sept. 30, 2021

The Health Resources and Services Administration (HRSA) today opened the Provider Relief Fund (PRF) [reporting portal](#) for providers to begin reporting to the government that they used federal emergency relief funds for health care-related expenses or lost revenues attributable to COVID-19. Providers that received PRF payments from April 10, 2020, through June 30, 2020, can now enter the portal and have until Sept. 30, 2021, to submit the required information to HRSA.

Hospitals and other health care providers that received PRF money after June 30, 2020, will need to report on the use of the funds at later dates as outlined in HRSA's June 11 update on PRF [requirements](#) and highlighted in the following chart.

	Payment Received Period (Payments Exceeding \$10,000 in Aggregate Received)	Reporting Time Period
Period 1	Payments received April 10, 2020 to June 30, 2020	Jul. 1, 2021 to Sept. 30, 2021
Period 2	Payments received July 1, 2020 to December 31, 2020	Jan. 1, 2022 to Mar. 31, 2022
Period 3	Payments received January 1, 2021 to June 30, 2021	Jul. 1, 2022 to Sept. 30, 2022
Period 4	Payments received July 1, 2021 to December 31, 2021	Jan. 1, 2023 to Mar. 31, 2023

In addition, HRSA released for providers a number of new resources on reporting, including a [toolkit](#) and [fact sheet](#). HRSA also will host a recorded webcast July 8 at 3 p.m. ET to provide technical assistance on reporting requirements for PRF recipients. You can [register here](#) to attend.

The AHA June 29 [asked](#) Health and Human Services Secretary Xavier Becerra to allow providers that received funding prior to June 30, 2020, to be able to use their COVID-19 PRF payments through the end of the COVID-19 public health emergency or, at a minimum, through the end of 2021.
