

---

# PARTNERING WITH THE ASIAN AMERICAN AND PACIFIC ISLANDER COMMUNITIES ON COVID-19 VACCINES

---

## KNOW YOUR VACCINE RIGHTS<sup>1</sup>

---

You do not need to provide insurance or a SSN to receive a COVID-19 vaccine.

The COVID-19 vaccine is FREE for everyone in the United States.

---

## 3 COMMUNICATION KEYS<sup>2</sup>

---

Providing Information in all languages people speak is critical.

Share science specific to an individual's fears and concerns.

Respect that this is a hard decision for many families.

---

## SUCCESSFUL VACCINATION STRATEGIES<sup>2</sup>

---

1. Reassure people that their personal information is kept confidential.
  2. Highlight different ways and locations to access vaccine.
  3. Create simple video of people saying why they got vaccinated, so colleagues, friends and neighbors see someone who looks like them and sounds like them.
  4. Partner with and support other efforts to unify the network of trusted people and organizations spreading accurate information.
- 

The American Hospital Association is expanding on existing alliances and building new collaborative efforts to disseminate and amplify accurate, accessible information to communities most impacted by COVID-19. Find multilingual **resources** to help those disproportionately suffering from COVID-19 get answers to their questions and make an informed decision about the COVID vaccine.
