IACET Statement of Accreditation

Duke University Health System Clinical Education and Professional Development is accredited by the International Association for Continuing Education and Training (IACET). Duke University Health System Clinical Education and Professional Development complies with the ANSI/IACET Standard, which is recognized internationally as a standard of excellence in instructional practices. As a result of this accreditation, Duke University Health System Clinical Education and Professional Development is authorized to issue the IACET CEU.

IACET CEU Credit Statement

As an IACET Accredited Provider, Duke University Health System Clinical Education and Professional Development offers CEUs for its programs that qualify under the ANSI/IACET Standard. Duke University Health System Clinical Education and Professional Development is authorized by IACET to offer **1.3 CEUs** for this program.

Note: All target audience members are eligible for continuing education credit upon successful completion of this course. This course does not issue certificates of attendance and does not award partial Joint Accreditation (JA) or IACET CEU continuing education credit certificates for partial attendance.

Any questions regarding acceptance of JA continuing education credits by credentialing bodies, boards, or professional organizations or associations must be submitted directly to those entities.
