

# Community Health Improvement Week

June 5–11, 2022

Dear \_\_\_\_\_ ,

I am joining the American Hospital Association to mark Community Health Improvement Week and writing to say “thank you” for being a great collaborator.

These past two years have put a spotlight on the importance of strong cross-sector partnerships — like ours — that improve the health and well-being of all people in our communities.

I look forward to strengthening our partnership this year and continuing our work together to advance health equity and justice for all.

With gratitude,
