

# National Nurses Week

May 6 – 12, 2022

# National Hospital Week

May 8 – 14, 2022

## #WeAreHealthCare

For the past two years, the dedicated people of America's hospitals and health systems have experienced firsthand the overwhelming impact of COVID-19. Thank you to the 6.3 million people who worked tirelessly and courageously to care for their communities — and who are always there, ready to care.

Paid for by the American Hospital Association.
