

Join us in celebrating National Hospital Week, May 11-17, 2025!

This National Hospital Week, the American Hospital Association will follow the theme #WeAreHealthcare — recognizing the amazing people who work in America's hospitals and health systems. We are asking the public to join in this effort to help celebrate National Hospital Week by showing support to all health care workers. Listed below are many ways hospitals can participate, as well as general guidance on messaging for the initiative.

#WeAreHealthCare

We encourage National Hospital Week participants to create unique ways of showing support to their local hospital. To do this we encourage you to use the hashtags #HospitalWeek and/or #WeAreHealthCare in your social posts.

The AHA has provided sample messages and graphics you can use. Please tag @ahahospitals in your messages on Twitter, Facebook, Instagram and LinkedIn.

Sample Messages

Mark your calendars! The 2025 National Hospital Week kicks off May 11, and we encourage everyone to participate in celebrating the hospitals and health care professionals in your community. Learn more: <https://www.aha.org/ahia/get-involved/national-hospital-week>

Hospitals and health systems continue to care for their communities despite any challenges thrown at them. Join us in celebrating National Hospital Week, May 11-17, to share thanks! <https://www.aha.org/ahia/get-involved/national-hospital-week>

Patients and communities rely on the wide range of critical health care services that only hospitals and health systems can provide, including 24/7 emergency and other higher-acuity care. Support National Hospital Week by showing your appreciation! <https://www.aha.org/ahia/get-involved/national-hospital-week>

Did you know? Hospitals work with their community partners to develop and deploy programs that advance health and wellness. Learn more: <https://www.aha.org/ahia/get-involved/national-hospital-week>
