

What's at Stake:

Medicaid covers the people you know.

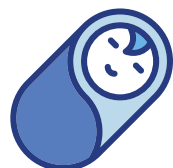

The majority of Connecticut residents with Medicaid coverage are children

38% of children in Connecticut are covered by Medicaid

Medicaid protects access to care for rural communities

Among Connecticut Medicaid beneficiaries, **35%** of children and **18%** of adults live in rural communities

Medicaid supports access to essential obstetrics care, behavioral health services, and primary care

41% of births in Connecticut are covered by Medicaid

Medicaid provides access to care for low-income seniors

223K seniors in Connecticut are dually eligible for Medicare and Medicaid

Fact: Medicaid chronically underpays for services.

Without supplemental payments, Medicaid fee-for-services payments nationally paid 58 cents for every dollar that hospitals spent caring for Medicaid patients, and Medicaid managed care organizations paid 65 cents.

Protect Access to Care: The AHA urges Congress to reject reductions to the Medicaid program that would threaten health care access for patients.
