

Host a Custom Innovation Summit with the American Hospital Association

PROGRAM OVERVIEW

Partner with the AHA's Division of Health Outcomes and Care Transformation to host an interactive workshop to develop solutions and insights for your organization to reduce disparities in health outcomes. Custom innovation summits are tailored to an organization's unique priorities, and focused on addressing the specific needs of the communities and patients they serve. The AHA team will be responsible for session preparation, research and agenda facilitation, while host sites will provide event logistics.

By hosting a Custom Innovation Summit, participants may earn up to 3 ACHE Qualified Education Hours toward initial certification or recertification of the Fellow of the American College of Healthcare Executives (FACHE) designation.

PROGRAM CONSIDERATIONS

LEVERS OF FACILITATION

Summits feature an interactive discussion with health care leaders sharing insights on promising practices and strategies to enhance care delivery and reduce disparities in health outcomes. AHA staff facilitates conversations in small groups from a choice of topics listed below:

- **Person-centered Care:** Implementing strategies to enhance patient care such as language access and health literacy.
- **Collection and Use of Data to Drive Action:** Using quantitative and qualitative data to inform, design and evaluate improvement strategies.
- **Community Collaboration for Solutions:** Fostering healthy communities by investing in effective hospital-community partnerships.

SPECIALTY TOPICS

Innovation Summits can also be customized around a specific topic to directly address an organization's unique priorities. The AHA has hosted specialty summits on the following topics:

- Rural Health
- Maternal and Child Health
- Quality Improvement and Patient Safety
- Behavioral Health
- Disabilities and Accessibility
- And more...

For questions about pricing or hosting a custom innovation summit, please reach out to Riley Anderson at randerson@aha.org for more information.
