

FOSTER G. MCGAW PRIZE | DON'T LEAVE YOUR STORY UNTOLD!

Sponsored by the Baxter Foundation, the prestigious **Foster G. McGaw Prize** honors hospitals, health systems and integrated networks that have demonstrated exceptional commitment to community health.

These organizations were among the 2025 honorees for the Foster G. McGaw Prize:

- **Fairview Health Services'** cultural brokers are embedded in neighborhoods to support different population groups. They understand that good health requires more than health care and they help community members complete school, health and job forms, find work and provide referrals to legal providers.
- **LifeBridge Health** works to break the cycle of violence by offering services to help victims of violence, child abuse, human trafficking and community gun violence in one location.
- **Rush University System for Health** has targeted its hiring, purchasing, investing and volunteer efforts in 21 neighborhoods near its Chicago campus, adding 100 jobs to the community and fueling economic revitalization.

WHAT IS YOUR STORY?

Who should apply? Organizations that demonstrate:

- Exceptional commitment to community health and development
- Community partnerships that improve access to quality, safe and equitable care
- Initiatives that address societal factors influencing health

The Prize winner will receive \$100,000. Finalists are awarded \$10,000.

The 2026 application period is March 10 – May 5, 2025

Award presentation: AHA Leadership Summit | San Diego | July 2027
