# 2027 Federal Healthcare Executive Awards

## Criteria for Selection

Each nominee will be evaluated on their demonstration of achievement(s) related to their actions and measurable, definable results in the 18 months from mid-2025 through 2026 according to the following specific criteria. Please note this is not an appraisal or performance report. Below, **check at least four** of the seven criteria that your nominee demonstrates.

### Selection Criteria

Please check a **minimum of four** boxes.

☐ 1. Assisted the hospital/organization in the design and delivery of services or programs deemed significant to the welfare of the community and/or patients.

☐ 2. Increased public understanding of the needs and/or goals of federal hospitals/healthcare system.

☐ 3. Designed and implemented innovative services/programs to deal with demonstrated needs or problems in the federal healthcare system.

☐ 4. Initiated and promoted cooperative programs among organizations and/or individuals that share goals related to the federal and/or the public healthcare systems.

☐ 5. Served as an inspirational example of extraordinary dedication to the mission of federal healthcare, overcoming institutional or community barriers to achieve mission accomplishment.

☐ 6. Contributed significantly to the effectiveness and efficiency of a particular healthcare system or institutional program.

☐ 7. Demonstrated or provided leadership by developing new approaches to the delivery of institutional or federal healthcare that contributed to a positive image of the institution or federal health care system.
